Retaining Our Healthcare Providers

In today's competitive market, keeping a good clinician on staff isn't child's play.

National Rural Recruitment and Retention Network (3RNet)

will provide an informative webinar

sponsored by the

National Health Service Corps

and brought to you by

Kentucky Department for Public Health

Health Care Access Branch/Primary Care Office (PCO)

3RNet, the leading authority on healthcare provider recruitment and retention, will present an informative discussion on how your facility can retain your healthcare providers in Kentucky.
