### LEARNING OBJECTIVES: Exciting New Advances in Neuro-Oncology: The Avenue to a Cure for Malignant Glioma

CME

CNE

After completing this activity, the learner should be able to:

- Discuss recent discoveries in the biology of malignant gliomas that are of greatest therapeutic relevance.
- Summarize the concepts and application of emerging technologies in the surgical and radiotherapeutic management of malignant gliomas.

The American Cancer Society (ACS) designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The ACS designates this educational activity for 1 nursing contact hour.

This activity is approved for 1 American Academy of Family Physicians Prescribed credit. Credit may be claimed for 2 years from the date of this issue. The physician should claim only those hours of credit that he or she actually spent in the educational activity.

**The online quiz must be completed by May 1, 2012.**

### SCORING

A score of 70% or better is needed to pass a quiz containing 10 questions (7 correct answers), or 80% or better for 5 questions (4 correct answers).

### COMPLETING YOUR QUIZ

All CME/CNE quizzes are offered online **FREE OF CHARGE**. Please log in at <http://CME.AmCancerSoc.org>. New users can register for a **FREE** account. Registration will allow you to track your past and ongoing activities. After successfully completing each quiz, you may instantly print a certificate, and your online record of completed courses will be updated automatically.

*If you previously submitted your CME quizzes to CA by mail or fax, send an e-mail to [CE@cancer.org](mailto:CE@cancer.org) and include your name and medical license number and we will provide instructions for accessing the CME account that includes records of your completed activities.*

### ACCREDITATION

The American Cancer Society, Inc. (ACS) is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education (CME) for physicians.

*CA: A Cancer Journal for Clinicians* has been reviewed and is acceptable for up to 18 Prescribed credits by the American Academy of Family Physicians (AAFP). AAFP accreditation begins January 1, 2010. Term of approval is for two years from this date. Each issue is approved for 3 Prescribed credits. Credit may be claimed for two years from the date of each issue.

The American Cancer Society is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

doi:10.3322/caac.20076.

### DISCLOSURES

The ACS requires continuing education course authors to sign a declaration disclosing any significant relationships related directly or indirectly to their course content that might be reasonably perceived as a potential conflict of interest. This includes financial interests, arrangements, or affiliations with companies or other organizations whose products or services are discussed in the activity. Any such disclosures by the authors of continuing education courses are indicated as notes on the title page of the article.
